Visit Greater Palm Springs

We can't wait to welcome you to California!

To our Canadian Construction Association guests,

We are thrilled to welcome you to California for the Canadian Construction Association 2026 Annual Conference in beautiful Coronado in San Diego. Whether this is your first visit or you are a longtime friend of the Golden State, please know you are deeply valued – not just as a visitor, but as part of what makes California special.

As you make your travel plans, rest assured you are coming to a state that treasures its relationship with Canada. Our communities are built on openness, creativity and inclusivity. These are values we proudly share with our neighbors to the north. Canadian travelers have long been essential to California's DNA, and we are honored to continue that connection with your visit.

Throughout our vibrant cities and diverse communities that span our state, you will discover more than world-class venues and unforgettable landscapes. You will experience a genuine spirit of belonging that makes California a place where everyone can feel welcome.

Your presence here isn't just appreciated, it's celebrated.

From the snow-dusted Sierra and serene coastal escapes to the vast beauty of our deserts and the vineyards, farmlands and flavors that define California's table, your time here will be memorable and filled with experiences you will carry long after you return home. We look forward to sharing the Golden State with you soon.

With a heartfelt welcome,

Caroline Beteta

President & CEO
